

CERTIFICATE OF COMPLETION

M.A.S.T.E.R Mob

Multimedia Approach for Sustainable Training in a European Route for Mobility

This certificate is to state that

Costanzo MALI

has successfully completed three steps of the pilot version of the M.A.S.T.E.R Mob Training Path for improving intercultural competence

This path included:

- The Serious Game (Challenge 2 of 4)
- Onsite Modules (Onsite Module on Respect of Others & Empathy)
- Online Modules on:
 - Empathy** – This module deals with the ability to intuitively understand what other people think and how they feel in concrete situations
 - Communicative awareness** – This module deals with the ability in intercultural communication to establish relationships between linguistic expressions and cultural contents, to identify and consciously work with various communicative conventions of partners from other cultural backgrounds and to modify correspondingly one's own linguistic forms of expression

Date awarded: 29/04/2014

These modules took place at Cap Ulysse, Bordeaux, France
